

Do You Love Chess But can't get out to play?

The Society of Alberta Chess Knights which operates junior chess in Edmonton and Region has a group of elementary and junior high age players who also love to learn and play chess.

White to move, checkmate in two

These youth chess players are part of a program which stresses citizenship and they are eager to share their love of chess with senior citizens and others who may not be able to travel to play.

If you are a chess player needing a playing partner and perhaps some playing tips from up-and-coming young players, or you know of someone who would love to be paired up with a player, please contact us. Our young players are located throughout Edmonton, St. Albert and Sherwood Park.

Arrangements will be made for you to meet the player and his/her parents and you can discuss the details of enjoying some fun sessions of playing the world's oldest and most respected board game.
