## Free bowling for Grand Prix players

Each year, Grand Prix players are treated by the Society of Alberta Chess Knights to a special activity. Last year it was Laserquest; this year it is three games of bowling.

The bowling will be held at Bonnie Doon Lanes, Bonnie Doon Shopping Centre, Saturday, June 18. Bowling will start at 7 p.m., so please show up a few minutes ahead of time to get shoes and arrange lanes. One parent or one

sibling over the age of 8 can join a player at a cost of \$13.

There are three dozen Grand Prix players who pre-paid discounted tournament entry fees to September last winter and are also eligible for special Grand Prix awards for their chess achievements from October through September.

If you require further information about this bowling event, call 780-474-2318.
